

Remarks

This Preliminary Amendment introduces no new matter and does not alter the claims or the scope of the invention in any way, as it is directed solely to the formal matter of correcting the sequence identifiers in the Sequence Listing with those disclosed in the Specification.

This submission is in response to the Paper mailed 6/16/2008 with a 30 day period for response. Accordingly, this response is being filed concurrently with a petition for a two-month extension of time.

If any issues remain, the Examiner is respectfully requested to telephone the undersigned at (858) 200-0586.

Respectfully submitted,

Date: September 19, 2008
